

NORTHFORK GENETIC SERVICES

Provide us with the names, coat colors, and registration numbers of both the mare and stallion. We will return a 4 generation coat color pedigree, a best possible genotype for both sire and dam, and a listing of all possible foal coat colors with the percentage chance for each to occur. Example:

	Palomino Stallion _____	Genetic services provided by: Ed North Professor of Genetics Univ. MS Medical School Ed North has been on the staff of the Cytogenetics laboratory for over 30 years and presently supervises the human chromosome lab. As an equine breeder he stands the PHBA #2 All-time sire of point earners, SKIPPA GOLD STREAK. He has published over 150 scientific articles and has written 5 books on equine coat color genetics.
	Palomino Stallion _____	
	Sorrel Mare _____	
Buckskin Sire _____		
Name and #	Bay Stallion _____	Send \$10.00 with name, color & reg. # of sire & dam to: Northfork Genetic Services 419 N. Utica Street Terry, MS 39170-7734
	Bay Mare _____	
	Bay Mare _____
